

66fit

Abs Power Wheel

with Kneel Pad

Ref: BP-797

Product Information – The ultimate tool to tone your abs, whilst working your whole body at the same time.

- Get the abs you have always wanted - this tool will even tone those muscles in the lower abs which are tough to train in most exercises.
- It features two, two-way easy-glide wheels, foot plates with straps and foam padded molded handles for easy grip.
- Includes a knee pad for added comfort.
