

PosturePals Retrain™

Highly elastic fabric allows movement but provides firm correcting force

Patterned, hypoallergenic adhesive and breathable fabric results in improved skin tolerance and extended wear times

Water resistant for improved durability

- ✓ Permits movement to reduce fatigue, improve compliance and to retrain postural skills through repetitive correction
- ✓ Quick to apply
- ✓ Low profile tape acts like a second skin to reduce lifting and peeling
- ✓ Ideal for home and clinic use
- ✓ Rubber and latex free
